

# Learning Through Legacy

Alabama's Environmental Education Guide  
for Grades K-2

Produced for  
**Alabama Educators**

By  
**Legacy, Partners in Environmental Education**

Revised 2013

Funding for this project is made possible by proceeds from the sale of Alabama's "Protect Our Environment" license tags.

# Disclaimer

“Learning Through Legacy: An Environmental Education Guide” was prepared by Legacy, Inc., Partners in Environmental Education, and its collaborative partners, including teachers and environmental professionals throughout Alabama. (For a complete listing, contact the Legacy office.) Neither Legacy, Inc., nor any persons acting on its behalf:

- a. Make any warranty or representation, expressed or implied, with respect to the accuracy of any information contained in this document; or
- b. Make any warranty or representation, expressed or implied, that the use of any information, apparatus, methods, or process disclosed in this document may not infringe on privately owned rights; or
- c. Assume any liabilities with respect to the adoption, applicability or use of any information, apparatus, methods, or process disclosed in this document or inferred therefrom;
- d. Assume any liabilities for damages resulting from the adoption, applicability or use of any information, apparatus, methods, or process disclosed in this document, or inferred therefrom.
